RAY NICOUD, on ladder, pointing to honey packed rafters in Frankfort building that is being turned into a shop specializing in antiques. Nicoud said a beekeeper who came in to view the mass of honeycomb told them he estimated that it represented 20 years of toiling by successive broods of bees. A brick missing from the outside wall gave bees an entry to the space between rafters and a false ceiling. The building once housed Folkers Meat Market.

Get \$5,000 Of Valuables

Burglars used a pick-up truck, it was believed, to haul away the loot obtained Monday night (July 1) at the Fred Fholzathel home at 651 Pheasant Trail (Prestwick) in Frankfort Township. According to the report at the sheriff's office the items carried off had a value of approximately \$5,000.

The loot included a portable color TV, a couple of cameras -- one of them a 35mm Minolta -- some rings, other jewelry, silverware and \$60 in cash.

A relative came to the home about 10 o'clock, but when he saw no one was there he went to the Prestwick Club. He did notice, the report states, that a pick-up truck was parked nearby.

Bixby Named Editorial Director

Walter E. Bixby, an editorial specialist for 25 years, has been appointed Editorial Director of Graphic Newspapers, James M. Godbold, Senior Vice President of Tri County Publishing Co., announced Wednesday.

As a member of the management staff, he will coordinate all editorial functions, including photography, of Graphic Newspapers. He also will serve as coordina-

tor of the complete production process.

Bixby comes to Graphic Newspapers from The Chicago Sun-Times, another subsidiary of Field Enterprises, Inc. Newspaper Division. Prior to that he was employed by the Minneapolis Star and Tribune, and at one time was publisher of an industrial newspaper.

"Walter Bixby has distinguished himself through-

out his career with an appealing style in the presentation of the news budget and graphic arts display," Mr. Godbold said in his announcement. "These talents and his successful administrative application of these responsibilities have earned an enviable reputation in his profession.

"The addition of Mr. Bixby to our management team will greatly accelerate our rate of progress in estab-

L-W High Tax Rate Down .11

Lincoln-Way High School's tax rate, in use in preparing this year's tax bills, was down .114 cents from the previous year.

The current rate is \$1.695 per \$100 equalized assessed valuation as compared to \$1.809 the previous year. An increase in valuation and a reduction in the bonded debt, plus careful scanning of expenditures by the board and administrative staff, accounted for the decrease, it was explained.

The per capita cost per student at Lincoln-Way, according to statistics for the 1966-67 school year was \$869.55. The per capita cost for the same year at Lockport was \$1,237.87 and at Joliet, \$1,380.72.

Figures for the 1967-68 school year are not yet available.

Say New Frankfort Well Has Ample Water Supply

There is ample water in the new well at Frankfort, it was reported at the last regular village board meeting. Pumping tests produced 1,000 gallons a minute but such a rate was not maintained over an extended period because it caused levels in other wells to drop.

Trustee John Topp told his colleagues on the village council last week that when the pumping rate was dropped to 500 gallons a minute other wells in the area that had been effected by the higher gallonage rate were normal again.

Trustee Topp said he would be satisfied if the well were limited to 250 gallons per minute.

"That would give us sufficient water," Topp said.

When the pumping tests were being run, the board was told, the water pressure in a restaurant that has its own well was drastically reduced, as well as the output of the second well which is in the area. This happened, it was reported, when pumping was being done at levels that corresponded to the levels of neighboring wells.

The new Frankfort village well is located on a piece of the park land on Nebraska

St. It is 433 feet deep. When pumping was done at the 180-foot level it was said that the restaurant's water supply was effected, as that is the depth of that well. The same was true as regard to other wells lowered, it was said, but pumping from the bottom of the new well at 500 gallons per minute does not have any effect on them. It probably will be several weeks before the well is put into service.

Mayor Glenn Warning and Trustee Robert Dean were not present at last week's meeting. The question came up as to what the village plans to do in regard to Community Park but Village At-

Meetings Schedule Unchanged

The Board of Education of School District No. 135 will follow the same schedule for meeting dates as this year, for the coming year - the 2nd and 4th Wednesday of each month at 8:00 p.m. in the Administrative Center, 9449 West 143rd Street, Orland Park.

torney August Santoro suggested that the discussion be postponed until the entire board was present.

Santoro said the village could give the park to the newly formed Frankfort

Arrest Alien At Frankfort

A young Canadian, traveling without benefit of passport -- or money, for that matter -- was picked up by Frankfort police last week and turned over to immigration authorities.

He was taken into custody for questioning when police saw him endeavoring to thumb a ride on U.S. 30. He gave his name as George Czorni, his age as 18, and his hometown as Sarnia, Canada.

He had 42 cents in his pocket and until picked up had hopes of getting to San Francisco. He entered the United States at Port Huron, he said. Now in the hands of immigration officers he is assured of a ride back to where he started from.

Strassenburg Rites Read At St. John's

Edward H. Strassenburg, 77, late of 191st St., Mokena, died suddenly Thursday, July 4, at St. James Hospital, Chicago Heights.

Born June 22, 1891 at Chicago, Mr. Strassenburg had lived in this area most of his life. He was a retired farmer.

He is survived by his wife, Mathilda; one daughter, Mrs. Laverne Stege; one son Norval, all of Mokena; one sister, Rose Schoeneck of Joliet; six grandchildren, and three great-grandchildren.

Removal was to the Hirsch Funeral Chapel, Tinley Park to St. John's United Church in Mokena where services were held Saturday, July 6, at 2:00 p.m. with Rev. Laslo Hunyady officiating.

Burial was in St. John's Cemetery, Mokena.

Hold Services For Resident Mrs. Nielsen

Mrs. Elizabeth A. Nielsen, 83, late of 11117 Denny St., Mokena, died Sunday, July 7 at Silver Cross Hospital following a brief illness.

Born Feb. 18, 1885 at Chicago, she had lived in Mokena most of her life.

She is survived by four daughters, Mrs. Gertrude Steinmetz and Mrs. Dorothy Homfeld, both of Mokena; Mrs. Helen Schroeder and Mrs. June Williams, both of Chicago; one brother, Harvey Frick of Wisconsin; six grandchildren and six great-grandchildren.

She was preceded in death by her husband John C. in 1941 and a daughter Grace in 1966.

Removal was to the Hirsch Funeral Chapel, Tinley Park, to the Mokena Methodist Church, where services were held Wednesday, July 10 at 2:00 p.m. with the Rev. Neil Jensen officiating.

Interment was in St. John's Cemetery, Mokena.

park district, or sell it, but couldn't lease it because the park board is not permitted to lease property. The reason, Santoro explained, is quite simple. If the park board erected buildings or equipment on leased land it would be using tax money to benefit the landowner.

A similar situation arose at Mokena a couple of years ago. The Lutheran Church there wanted to sell its old building to the Mokena park district. Attorney for the district turned thumbs down on the proposal on the grounds that the district would be using public money to purchase a building that stood on land that wasn't park district property. The district could have bought the building only to be ordered to move it or tear it down, it was pointed out. The only way it could have bought the building was to also acquire title to the land, the board was informed, and that couldn't do.

Members of various village boards have favored formation of a Frankfort park district over the years so the village would be freed of responsibility for Community Park. It has cost the village several thousand dollars each year for upkeep and improvements but the SPC, a group of residents, has been the principal promoter of the park development, with the aid of the Frankfort Lions, the Chamber of Commerce and, of course, the village.

The new park district won't have any tax money of its own until next year, it was said, so the village and citizen groups will continue to support the park program thru donations.

Carol Hossbach, who has been working part time in the village clerk's office has resigned, effective July 15. The finance committee is looking for a successor.

Village Clerk Walter Pfaff told the committee he thought

Paul S. Rinke Dies; Rites Read July 8

Paul S. Rinke, 84, late of 19618 S. Wolf Road, Mokena, died Friday, July 5, at his home after a long illness.

Mr. Rinke was born in Germany and had lived in this area since he was a small child.

He was a retired rural mail carrier and was a member of St. Mary's Holy Name Society.

He is survived by one daughter, Mrs. Marie Schutty of San Lorenzo, Calif.; one sister, Elizabeth Rinke of Joliet; one brother, George of Mokena, and six grandchildren.

He was preceded in death by his wife, Bertha in 1959; two sons, Francis and Leonard; one sister, Mary Smith; and two brothers, Irvin and Charles.

Removal was to Hirsch Memorial Chapel, Tinley Park, to St. Mary's Church, Mokena, where funeral services were conducted Monday, July 8, at 10:00 a.m., with the Rev. Cecil Koop, OFM, officiating.

Burial was in St. Mary's Cemetery, Mokena.

he should be permitted to have a voice in the selection of a clerk inasmuch as he is expected to train her in all duties of the office in the event he should be incapacitated or when he goes on vacation.

On motion by Trustee Jerry Osmus the board adopted rules for residents to follow on the rubbish pick-up days which are the first Monday in May and the first Monday in October. Residents will be required to put miscellaneous rubbish in containers; cut lumber, tree limbs or pipe in four-foot lengths. Furniture and appliances can be set out at the curbline for pick-up, under the rules, but building materials are banned.

Osmus suggested the vil-

lage engineer be consulted as to the feasibility of building up a storm sewer system a bit at a time. Mokena has plans for a storm sewer system to serve that community but the cost -- an estimated \$1.25 million -- is prohibitive.

The village plans to put existing sidewalks in proper condition, thru its own efforts and the help. The board would like to see a sidewalk building program carried out. Most of its motor fuel tax money this year is going into the building of Nebraska St. west of U.S. 45 but there are funds for necessary street repairs, it was announced by the street committee chairman, Trustee Lynn Kohlhausen.

Set Book Fees For Frankfort Schools

With the exception of the cost of milk, other fees to be paid by Frankfort Grade School children for the 1968-69 term will be the same as last year, it was brought out at the regular board of education meeting last week.

The fee for milk this past year was \$5.70; it will be \$6.25 for the coming year. Whether a pupil shall have milk is optional.

The book fee for kindergarten pupils is \$8.50 and this includes the cost of milk. Rental of books for pupils in grades one thru eight will be \$10.50. This, of course, does not include milk.

Pupil insurance, which is optional, will be \$2, and that covers youngsters from kindergarten thru 8th grade.

Transportation fees apply only to students living within 1 1/2 miles of the school (it is furnished to those living beyond that distance). The fees are \$4 for one student per month; \$5 per month for two pupils from a family and \$6 a month for three or more.

Kindergarten pupils who have brothers or sisters attending school within the 1 1/2 mile limit will be included

in those fees. If they are the only member of a family attending school, and reside within the 1 1/2 mile radius, they will pay half the regular rate. Transportation for kindergarten pupils is only one way. There are two half-day sessions. Buses will pick up children going to the morning session but someone will have to pick them up at noon. Children attending kindergarten in the afternoon will have to be brought to school but will go home on the bus.

The board designated Capitol Insurance Co., as its agent for pupil insurance and selected Weber Dairy, of Joliet, to provide the milk for the youngsters.

Two teachers were hired. Miss Andrea Grepares, of Joliet, a recent graduate of Illinois Wesleyan University at Bloomington, will teach general and vocal music. Mrs. Sharon MacFarlane, of Hobart, Ind., where she has been teaching for the past two years, will be assigned later. She is a graduate of Valparaiso University.

The board will meet next at 7:30 p.m. Aug. 12 in the library at Frankfort School, Oregon and Hickory Streets.

FESTIVAL QUEEN — Dorothy Omland, of Mokena, was elected queen of the Fourth of July Festival sponsored by the Mokena Lions. When all the votes were counted Miss Omland was the winner. She received a \$100 gift certificate as her prize. Second prize, a \$50 certificate, went to Martha Mutsch. The other two contestants, Pamela Strassenburg and Francene Mangun each received \$25 gift certificates.

Revise Tap-On Fees For N. Lenox Sewers

The schedule of sewer tap-on fees in the Village of New Lenox has been revised by the board of trustees. Heretofore, it has cost a flat \$150 for a tap-on. Now it will vary.

The fee for a single family residence is \$200.

The fee for a multiple residential dwelling is \$200 for the first unit; \$150 for the second unit, and \$100 for each unit in excess of two units.

The fee for a tap-on for a commercial establishment is \$200, or such other sum as the board of trustees shall designate, from time to time, by ordinance or resolution.

The ordinance providing for the new tap-on fee sched-

ule was adopted by the village board at its meeting last week.

Also adopted was an amendment to the zoning ordinance which limits the time a zoning change is valid. If the land is not put to the use provided in the zoning change within two years it reverts to its original classification. However, if during the two-year period the owner makes a showing to the village board of a bona fide attempt to put the property to a use for which it was rezoned, the trustees may, if they choose to do so, extend the period for an additional period but not to exceed one year.

REAL HORSEPOWER was used to draw this rig in the Mokena Fourth of July parade but the driver apparently is so accustomed to the kind that comes in engines that he got in on the wrong side. One sits on the right side to steer a horse. (Graphic Newspapers photo)

Eagle Badges Presented To Three Area Scouts

Mrs. Katherine Heisner
Telephone: 469-5187

A Court of honor was held recently by boy scout troop 270 at which Kendall Oetter, Kevin Carroll, and Steve Nusbauer were presented eagle badges by Ray Page, troop advancement man. These are the first boys in the troop to have received eagle badges, the highest award in scouting.

Dr. Merle Otto conducted the ceremonies at the Veterans Memorial building. George Lytel, institutional representative, presented the charter of the troop to the Bobzin Swinford American Legion Post 1098, sponsor of the scouts.

On Sunday, June 30, the annual Hiller family reunion was held at the Community park with Mr. and Mrs. Donald Auler of Villa Park and Mr. and Mrs. Don-

ald Stephen of Frankfort in charge. A potluck dinner was served at noon with 85 in attendance. Families were present from Joliet, Lockport, Plainfield, Manhattan, Minooka, Mt. Prospect, Chicago, Villa Park, Frankfort, and Spring Valley, Minn. The next reunion will be held on the last Sunday in June of 1969 with Mr. and Mrs. Walter Hiller and Janet and Mr. and Mrs. Robert Weber on the committee.

Craig Otto, son of Dr. and Mrs. Calude Otto, and Kenneth Oetter, both members of the Bobzin Swinford Post, attended the Boys State last week at the Illinois State Fair grounds in Springfield, sponsored by the Post. All the boys attended classes. Craig chose leadership school, receiving a diploma at week's end.

The Homemakers Extension Unit have their next meeting on Monday, July 15, at Fred Francis Field. The Lincoln Lassies, 4-H club will be in charge of the major lesson and the minor lesson chairman is Lulu Briedert. The theme will be telephoning for help in an emergency. Hostesses are Verna Groth and Mrs. William Seemann.

After spending a week's vacation and a motor tour through the south central states, Mr. and Mrs. Lester Heisner have returned home.

Six young folks of the Frankfort United Methodist Church attended the junior high camp held at Wesley Woods in Williams Bay, Wis. Douglas and Susan Ingram, Ridgely Putnam, Donna Reils, Deborah Tewes and Dean Willis.

**Honor Physician For
40 Years Of Service**

Recognition of forty years of devoted service to the community took place on Sunday, June 30, at the Ridge Park Fieldhouse, 96th and Longwood Drive where a reception was held to honor Alfred D. Biggs, M.D., 11912 So. 92nd Avenue, Palos Park, who has practiced pediatrics in the Beverly Hills area since 1928 and in the Palos region since 1960.

A native Kentuckian whose family can be traced to the early pioneer days, Dr. Biggs was born in the Ohio River valley area of eastern Kentucky. His ancestors included a long line of physicians, including his maternal grandfather who practiced in a thirty mile area surrounding the town of Greenup in which Dr. Biggs was raised.

Orphaned at the age of twelve with two younger brothers, Dr. Biggs was placed in a Presbyterian mountain school, Pikeville Academy, through the good offices of a local minister instead of being sent to an orphanage. It was there that he received his basic education, enabling him to go to Maryville College, and eventually, the University of Chicago Medical School, where he learned the skills that have benefitted so many youngsters over the past four decades.

Dr. Alfred D. Biggs

Today, Pikeville is a fully accredited four-year college dedicated to a unique educational venture titled: Project Appalachia. Dr. Biggs, grateful for the educational benefits he derived from the predecessor academy, currently serves on the Board of Trustees of the college, the only higher education institution within a 120 mile radius covering five counties that are located in three states of mid-Appalachia.

Dr. Biggs began his pediatric practice in Beverly Hills on July 1, 1928, opening a second office in the Palos area in 1960. Despite the demands on his energies, he looks forward to another celebration when he passes the 50 year anniversary of his medical practice.

**Recording For Blind
Merits High Praise**

By Lee Pnizek

The White House was the scene of a dual ceremony on May 7, when President Johnson presented the 1968 Scholastic Achievement Awards of Recording for the Blind to three blind college seniors, graduating in June. The award recipients were Larry Dale Baker, Indiana University; Leonard David DuBoff, Hofstra University; and Sherrill Rae Peterson of Galesburg, University of Illinois.

The ceremony staged in the Cabinet Room before Presidential Aides, the White House Press Corps., families of the three winners and RFB Board members and staff, was also the occasion of a presentation to the President of Carl Sandburg's "Abraham Lincoln", recorded on 15 tapes

by 43 volunteers.

In presenting the awards and the accompanying \$500 checks to the students, President Johnson told them that each in his own way, "represents a triumph of the spirit".

The Palos - Orland Unit of Recording For the Blind, in the Orland Plaza is one of 17 units in this national non-profit voluntary organization which records and circulates without charge, text books, and other educational material to blind elementary, high school, college students, graduates, and blind adults in pursuit of their vocations.

The Palos-Orland Unit like all other Recording For the Blind Units is fully autonomous, enlists its own volunteers, and raises its own operating funds.

Gardeners with roses should be following two special operations this week . . . drying and pruning.

If you dry and preserve your roses now, you can look at them and enjoy them next winter, too. A relatively new drying material will preserve the color, form and everything, in fact but the moisture in the

petals. All you need are some perfect roses, silica gel, a box and some patience. Start by obtaining the silica gel, a drying agent. A very finely ground form is now sold just for drying flowers. Find a box that is deep enough to hold an entire rose flower. A shoe box works well.

A hot, dry day is a good time to pick your perfect rose. Choose a partially opened flower. Cut as many as you think you can use. Bury the flower head very

gently and completely in the silica gel. To preserve the flower's natural shape a sifter or a spoon can be used to sift the drying agent between the petals.

Silica gel dries flowers so quickly they retain their original color and form. When dry, attach the flower to an artificial wire stem. The drying time varies, but your rose may be dried and ready for permanent use in four to six days. The silica gel after drying in an oven may be used over and over again.

The rose pruning should be concentrated on Rambler and small-flowered climbers. Unless pruned soon after bloom, they quickly become tangles of briars. It should be pointed out, however, that Ramblers and small-flowered climbers are the only types of roses that need major pruning at this time. In contrast, shrub type roses . . . the hybrid teas and floribundas are pruned in the spring. The reason for pruning these special roses now is that they bloom on wood that grew last year or the year before. Spring pruning would remove this year's flowers.

When pruning Rambler roses, first cut out any dead or diseased wood. Then remove any canes three years old or older. You can spot them because they will bear few or now dead flower clusters. After this operation, do any pruning necessary to keep the plant within the bounds you set. This pruning stimulates the climbers to produce many strong new canes this summer which will provide an abundance of flowers next June.

Although the major portion of pruning for bush type roses is done in early spring, summer pruning is

Dr. Donald J. D'Amico, former assistant superintendent of Lincoln-Way High School, has been appointed superintendent of the Joliet Grade School system.

He left Lincoln-Way four years ago to become assistant superintendent at Joliet. In his new position he will receive a salary of \$23,000. He had been receiving \$18,000.

Before coming to Lincoln-Way, D'Amico had served as superintendent of the Manhattan Public School. He came there in 1956 and to Lincoln-Way in 1960.

D'Amico succeeds Dr. Donald V. Strong as superintendent at Joliet. Dr. Strong left to accept the superintendency at Arlington Heights. Strong's salary at Joliet was \$22,500.

also done when you cut flowers. In fact you must keep cutting the flowers from your hybrid roses if you want top performance throughout the season. Make cuts just above a five leaflet leaf. During the first year make the stems short so the plant has a chance to build size and vigor. During the second year longer stems may be obtained by making cuts at the second five-leaflet leaf.

Uncut flowers allow energy to go into the development of fruit or hips rather than the production of new flowers. So sharpen those shears and keep your garden coming up roses.

New Head Of Joliet Schools

D'Amico heads some 500 teachers at Joliet and the pupil count next fall is expected to exceed 12,000, an increase of some 3,000 since he began his work there in 1964.

George Abraham, who

has changed his name to Walters after that of his foster parents, formerly on the administrative staff at Lincoln-Way is promoted to principal at DeKalb High. He was assistant principal there.

Open Letter from the HIRSCHS'

Dear friends,

Like any professional group, we funeral directors must continue to "do our homework" to keep our services up-to-date.

In funeral service, as in other fields of endeavor, there is no standing still. Modern equipment must be purchased - new techniques must be learned. In this way we hope to provide our community a continually improving and more satisfying funeral service.

Respectfully,

Carl Hirsch

Buffalo Patrol Members Visit Cantigney Museum

Mrs. Emil Wille
Telephone: 469-5277

The members of the buffalo patrol of the Frankfort boy scout troop No. 270 roamed the western portions of Chicago on Wednesday June 19. Starting from Lincoln Estates they were driven through the Morton Arboretum and then to the Cantigney war memorial and museum at Winfield. They learned the history of the army's first division and spent all morning and part of the afternoon on the beautiful grounds of Robert McCormick who left his estate for the museum. After a sack lunch on the grounds, the patrol visited and was given a guided tour of the 35 room mansion.

The Graue Mill north of Hinsdale was next on the list because of its local history and beautiful location. This mill was built in 1852 on Salt Creek and ground corn into meal for the next sixty years. It is now a museum but one can still see the wooden gears being turned by the water of Salt Creek and one can still see the miller grinding corn into meal for the visitors.

The Hinsdale health museum was next for an enlightening hour of knowledge and from here they were driven to the Argonne National Laboratory for a tour. The buffalo found that they were the youngest group

to apply for a tour.

Route 66 west was next where the buffalo arrived in Romeoville at a drive in for supper. The buffalo were still eager to roam on but the old buffalo driving the car figured too much roaming in one day was bad for "them" and dropped them off at home about 6:00 p.m.

The buffalo attending were David and Kenneth Bidne, Bob Lesniewicz, Shane

Gericke and Robbie White. The driver was Lee Gericke.

Mr. and Mrs. Jack Newton are the parents of a baby boy born on Tuesday, June 25 at the Silver Cross hospital in Joliet. He weighed eight pounds, seven ounces

and has been named Robert Allan.

Mr. and Mrs. George Kaehler entertained their social club on Friday evening. The group enjoyed dinner at the Prestwick country club and then returned to the Kaehler home for the rest of the evening.

Mrs. Harriet Bissel of Burlingame, Calif. is spending about a month at the home of Mr. and Mrs. Robert Wheeler. Mrs. Bissel is a former Lincoln Estates resident.

Miss Jayne Wheeler was the honored guest at a miscellaneous shower on Saturday evening, June 29. The shower was held at the Manhattan sportsmen's hall. Hostesses were Miss Kathleen Fitzgerald and Mrs. Dick Fitzgerald. Bingo was played and duplicate prizes were awarded to the bride elect. There were about thirty five guests present from Joliet, Lockport and Manhattan. Miss Wheeler received many lovely gifts.

Mr. and Mrs. J. C. Vaughn, LaDonna Vaughn and Carolyn McGregor have returned from a two week vacation trip to the western states. On the way they stopped for a few days to visit with Reverend and Mrs. Philip LaBue at Grant, Neb. Reverend LaBue was a former pastor at the Calvary Baptist church. From there they went to Windsor, Colo. where they visited with Mr. and Mrs. Gerald LaBue and family at their ranch. While there they went to Denver, they saw the Garden of the Gods at Colorado Springs and rode the cable cars at Central City. They also saw many other places of interest along the way.

Dennis Wheeler entertained at a bachelor party in his home on Saturday evening, June 29 in honor of his future brother-in-law, Rick Fitzgerald. Guests were Dick Fitzgerald of Manhattan, Randy Wheeler of Byron, Ill., Dave Schuelke of West Lafayette, Ind., Chuck Edwards of Joliet and John Waitkus. A dinner

was served by Wheeler after which the men played pool and cards.

ORDINANCE NO. 370 An Ordinance Authorizing The Village President Of The Village of Orland Park, Cook County, Illinois, To Proclaim The Existence Of Civil Emergency, Impose Curfews, And Regulate The Conduct Of Certain Businesses During Civil Emergencies

BE IT ORDAINED by the President and Board of Trustees of the Village of Orland Park, Cook County, Illinois, as follows:

Section 1

Definitions:

(a) A civil emergency is hereby defined to be:

(1) A riot or unlawful assembly characterized by the use of actual force or violence or any threat to use force if accompanied by immediate power to execute by three or more persons acting together without authority of law; or

(2) Any natural disaster or manmade calamity, including flood, conflagration, cyclone, tornado, earthquake or explosion within the corporate limits of the Village of Orland Park, Illinois, resulting in the death or injury of persons or the destruction of property to such an extent that extraordinary measures must be taken to protect the public health, safety and welfare.

(b) Curfew is hereby defined as a prohibition against any person or persons walking, running, loitering, standing or motoring upon any alley, street, highway, public property or vacant premises within the corporate limits of the Village of Orland Park, Illinois, excepting officials of any governmental unit and persons officially designated to duty with reference to said civil emergency.

Section 2

Whenever an emergency as defined in Section 1 of this Ordinance exists, the Village President shall declare the existence by means of a written declaration setting forth the facts which constitute the emergency.

Section 3

After proclamation of a civil emergency by the Village President, he may order a general curfew applicable to such geographical areas of the Village or to the Village as a whole, as he deems advisable, and applicable during such hours of the day or night as he deems necessary in the interest of the public safety and welfare.

Section 4

After the proclamation of a civil emergency, the Village President of the Village of Orland Park, Illinois, may also in the interest of public safety and welfare make any or all of the following orders:

(a) Order the closing of all retail liquor stores, including taverns and private clubs or portions thereof

wherein the consumption of intoxicating liquor and beer is permitted.

(b) Order the discontinuance of the sale of alcoholic liquor by any wholesaler or retailer.

(c) Order the discontinuance of selling, distributing or giving away gasoline or other liquid flammable or combustible products in any container other than a gasoline tank properly affixed to a motor vehicle.

(d) Order the discontinuance of selling, distributing, dispensing or giving away of any firearms or ammunition of any character whatsoever.

(e) Issue such other orders as are imminently necessary for the protection of life and property.

Section 5

The proclamation herein authorized shall be effective for a period of forty-eight hours unless sooner terminated by a proclamation of the Village President indicating that the civil emergency no longer exists. The Village President shall have the power to proclaim the existence of a civil emergency at the end of each forty-eight hour period during the time the said civil emergency exists.

Section 6

Upon issuing the proclamation herein authorized, the Chief of Police shall notify the news media situated within the Village of Orland Park, Illinois, and shall cause three (3) copies of the proclamation declaring the existence of the emergency to be posted at the following places within the Village of Orland Park, Illinois: The Village Hall, the Police Station and the Post Office.

Section 7

Any person violating the provisions of this Ordinance or executive order issued pursuant thereto shall be guilty of an offense against the Village of Orland Park, Illinois, and shall be punishable by a fine not to exceed \$500.00.

Section 8

Arbury Hills

Local Organizations, Scouts In Holiday Fete

Mrs. Edward Hovi
Telephone: 479-5740

The big holiday four day week end has finally ground to a halt, and we can all get back to normal. Three of the local organizations; The Arbury Hills civic association, the Arbury Hills baseball league, and the Summit Hill boy scout troop No. 10, all had representation at the carnival. There was also the two marching groups from Frankfort, the Garnets and the Diamonds, which has a large representation from Arbury Hills having a booth at the carnival.

The fact that the holiday stretched throughout four days required a tremendous amount of assistance from volunteer help. Without the mothers and fathers help, the booths would not have been a success.

In addition, the African dip, the boy scout booth, had the help of several girls, including mother as one of the girls, and even some

boys from Mokena who just wanted to help out.

The girls were volunteers most of whom had brothers in the troop, but there were also those who were from Mokena, and those who pitched in for just the cause.

The soggy mass of youngsters all managed to come up, smiling in spite of cold water to do their dipping.

The pony team played one game against Mokena on June 21 which was unreported, maybe best that way, since the score was four to two with Arbury Hills coming out on the short end.

They played in New Lenox on Friday, June 28 and came out ahead this time by the score of nine to four.

The pony team has a game scheduled for tomorrow, Friday, July 12, against the Mokena sox; and another

game against the Manhattan lions on Tuesday, July 16. This game is scheduled for our home field. The Mokena game is to be played in Mokena.

The A Team unhappily played the Manhattan sportsmen at our field on Monday, July 1, and were soundly defeated by the score of sixteen to eight. They also played an exhibition game against Mokena on Sunday, July 7 at the Mokena field and lost a close one on a run in the eighth inning, six to five. There was also a Saturday game on June 29 against the New Lenox savings yankees which saw our boys defeated again by the score of twelve to six.

The A Team will play a game against Frankfort lions tonight, Thursday, July 11, at our field, and another game Monday, July 15 against the Frankfort cubs at their field.

The red farm team won their first game of the year

last week against the blue team on July 1 by the score of sixteen to eight. They have a game scheduled tomorrow against Frankfort at our field.

There was an all - star team of the three farm teams which played the Mokena pirates on Sunday, July 7 at the Mokena park which saw the all-stars win by the score of ten to three.

The blue team played the

green team in a make-up game last week with the green team coming out much on the long side by the score of sixteen to seven.

The cards B team played the sox B team on Wednesday, July 3, and the sox won by the score of seventeen to zero. The cards also played the Frankfort tigers on Friday, July 5, at our field and won by the score of sixteen to eight.

The cubs B team played the sox B team and lost by the score of fourteen to seven.

Two of the girls from the junior troop number 289 spent a week at the girl scout camp in Iriquois County. Nancy Dickerson and Cathy Tanis found the camp delightful and that a week can be so short when you are having a good time.

The prophetic Scriptures and particularly the Books of Daniel in the Old Testament and The Revelation in the New, have much to say regarding eschatology, or the doctrine of last things, states the Rev. Granholm, pastor of the Park View Baptist Church. A study of the Revelation will be presented each Wednesday evening, 7:30, at the church, the purpose being to understand the Book in the light of

other Scripture. There will be a time for questions and answers at each session. Any interested persons are invited to attend.

The Yunker family reunion will be held July 14, in the atrium at the Peotone fair grounds, starting at 12:30 p.m., with a pot luck dinner. Bring your own tableware. There is a gift exchange for each child through the 8th grade. There is always a good ball game for the young men. Let's all get together and renew our acquaintance.

The little league Mokena twins evened their season record at 4-4 last week with two wins over the Frankfort lions and the Mokena dodgers.

The Frankfort game was close all of the way with the twins finally winning it with two out in the final inning on a single by Barry Gaba and some dandy base running by Gerry Thomas. Gerry also had two hits in the game and was the winning pitcher as he gave up only three hits and struck out nine. Rich Hughes also had three hits including a key double in a three run third inning. The final score was 4-3.

The battle with the rival Mokena dodgers looked like an easy game for the twins only to have the dodgers come roaring back from a 10-1 deficit to a final of 10-6. Among the hitting heroes for the twins were Gerry Thomas with four hits, including a long home run, and Timmy Wilson with three hits. Thomas is now batting .520 for the season to lead the club. Barry Gaba pitched for the twins and went all the way for his first win of the season. Both games took true team efforts.

Coming games for the Twins are Thursday, July 11 at Manhattan, and Monday, July 15, at Lincoln Estates.

"His Church for Our Day" is the theme of the New Lenox Church of the Nazarene Vacation Bible School which started July 8, in the evening from 6:30 to 8:30. The school will end July 19 with

an open house demonstration program at 7:30 p.m. The students age 3 thru grade 9 will present musical selections and Bible scripture memorized in Vacation Bible School. The parents will be invited to view the crafts displayed by the students.

Lora Gilbert, of Mokena, is directing the school. The teaching staff includes: Rev. W.D. Huffman, June Huffman, Margaret Six, Janice Borders, Elaine Gilbert, Gail Shreffler, Eunice Rushin, Pearl Borders, Ann Ogden, Jean Gorman, Juanita Shreffler, Albert Gluck, Gary Rupnow, Dennis Ogden, Clarence Stirratt, Merrylyn Meissner, Jerry Meissner, Tom Gilbert, and Ruth Ripnow.

New books are at the library for all ages; Some of these are: Juniors "Spencer and his Friend"; "Kent Barstow: Space Man"; "Half-Breed"; "Hull-Down For Action"; "Bonnie"; and "Behind the Walls". Adults: "Our Crowd"; "Vanished"; "One Summer in Between"; "To Brooklyn With Love"; and "Enderby".

In the Mokena park district tennis ladder standing for week ending July 5 are: Junior men, Roger Sippel, Bill Szabela, Terry Ryan, Clifford Toosely, Mike Vonderasek, Kurt Rust, Dean Bresler, Jim Leonard, and Gordon Holliman. Junior women: Carla Devito, Kitty Rauch, Ruth Pela, Karen Rauch, Barbara Beebe, Clorinda Consola, Robin Marshal, Marsha Marshal, Diane Merrick, Kathleen Consola, Janice Peterson. Adult Women: Joyce Petnuch, Theresa Schofield, Betty Pels, Natali Moor, Gwendolyn Davis, Arlene Ryan, Kay Erickson, Theresa Lawson, Vivien Devito, Helen Highfill, Jean Kitter, Jean Richardson.

In the boys and girls 10 years and under, Kathy Tyler, Eloisie Petnuch, Kathy Farmer, Randy Sue Farmer, Ann Schofield, Nancy Sondergaard, Mary Pels, Don Schofield, Cynthia Mooi, Christine Yanchick, John Holliman, Vetsy Holliman. Boys 11-12 are Jeff Petnuch, George Farmer, Fred

Guendling, Joseph Leonard, Dave Riordan, Phillip Williamson. Girls 11 - 12, Bety Farmer, Mimi Schofield, Michelle Grenier, Linda Bruhn, Robin Roberts, Sherol Riorddon, Vanessa Mooi, Diane Schick, Leisa Kitter, and Laura Sands. In

the girls, 13-14 are: Karen Szabela, Pat Vondrasek, Claudia Petnuch, Janet Tyler, Peggy Williamson, Kristine Rauch, Mary Schubert, Jean Schubert, Joey Hunniford, Betsy Beebe, and Carla Kitter.

"Where The Promise is Performed"

Mary L. Gertenrich Wed To Everett May June 1

St. Mary's Church, Mokena, was the scene of the June 1 wedding of Miss Mary Lou Gertenrich and Everett May.

Father Cecil Koop officiated at the double ring, 3 p.m. ceremony uniting the daughter of Mr. and Mrs. LeRoy Gertenrich, 194th St., Mokena and the son of Mr. and Mrs. George A. May of Ringwood, Ill.

Escorted to the altar by her father, the bride wore a white toe touching gown of imported organza and alencon lace with a Sabrina neckline, long traditional sleeves and a natural fitted bodice that continued into the full bouffant bell skirt. The wattleau chapel train was worn for the ceremony and removed for the reception. Her silk veiling was worn shoulder length and held a face encircling head piece of alencon petals of crystal and pearl. She carried a large white orchid surrounded by white carnations.

Her maid of honor, Pamela Brent and her two bridesmaids, Sherry Whalen and Renee Suczyk, wore identical toe length gowns of lime green silk organza, over taffeta. It featured a jeweled neckline and sleeveless with flowers bordering the hemline, and their head pieces were a tiered jet,

veil and a plateau of daisies. They each carried a crescent of yellow daisies centered with a yellow glabella.

Serving as best man was the groom's brother, Kenneth and another brother, Ronald, along with Ray Laporte as groomsmen. Ushers were Jim Scudella and Sam Buentzli, brother-in-law of the groom.

The bride's mother chose a pink nylon lace sheath and linen coat and pink and white accessories.

The groom's mother

wore a blue linen dress with a lace coat and white accessories. Both mothers wore white cymbidium corsages.

A reception was held at the Prestwick Country Club for about 70 relatives and class friends.

The new Mrs. May will be teaching at Oakview school this fall.

The groom is a business teacher at Bloom High School at Chicago Heights.

The couple will make their home at Mokena Gardens Apts.

Junior College Bonds OK

A decision by the Illinois Supreme Court finding the Junior College Act constitutional has cleared the way for the sale of some \$67-million in bonds for the construction and development of campuses.

The Joliet district, No. 525, has authorized \$10.5-million in bonds and Moraine Junior College District 524 (this includes the Sandburg and Stagg high schools) gave approval to a \$12.5-million bond issue.

While junior college board members are pleased with the court's decision most of them would have been more pleased if the court had delayed its action for several months. Right now, it was pointed out, is not a good

time to sell bonds because the colleges will have to pay a high rate of interest on the money they borrow.

Schools and municipalities have been paying over 5 per cent on recent loans, it was said. A recent offer on municipal general obligation bonds -- bonds paid out of taxes -- was 5.49 per cent.

ALEX B. DEL BUENO, Laguna Drive and Lago Lane, Orland Park, has been named director of personnel of the Johnson & Johnson Domestic Operating Company, and will have national responsibility coordinating personnel matters at all United States locations of the world-wide manufacturers of hospital and health products.

Del Bueno has been plant manager of the Johnson & Johnson Surgical Adhesives Mill in Chicago, but is moving to corporate headquarters in New Brunswick, N.J., in his new executive position.

Fireworks Drew Large Crowds

All fireworks displays in celebration of the Fourth of July by area communities were acclaimed as highly successful.

The Chamber of Commerce of Orland Park spent \$1,500 on fireworks this year, \$500 more than last year, and it also had a larger group of spectators. A total of 850 carloads of people parked at the Carl Sandburg athletic field to get a firsthand view of the display.

According to George Brown, president of the Orland Chamber, there were 300 more cars this year than last and each contributed \$1.

Trustee Robert Bibeau, who was in charge of the fireworks display, said that a rocket was fired every 16 seconds for 45 minutes--all of which meant a lot of rockets and a fiery sky.

The New Lenox Association of Commerce had charge of the fireworks display there--staged at the Lincoln-Way High School Athletic Field. The place was jammed with cars and the spectators were loud in their praise for the show.

Mokena had its annual Fourth of July Festival but held off with its fireworks until Sunday night when the affair ended.
